

Hike the Swedish mountains with the people who know them best

Join us on this year's professionally-guided hiking week or weekend of Sweden's southernmost "fjäll"

Discover the best of Grövelsjöfjällen at its most spectacular time of year. Join us on a professionally guided weekend or week of wilderness, adventure and incredible views. You'll learn about the local plants, wildlife and culture while hiking through national parks and nature reserves – and get up close and personal with one of the most thrilling natural landscapes in the world. Your guide for the weekend or week is Björn Jonsson from Experience Grövelsjön, a local mountain tour specialist. Björn is an expert on the local trails, plants and wildlife, and a unique source of knowledge about the Grövelsjöfjällen area.
